**RACE DESCRIPTION:**

A wide start with a slight up hill is your start. As riders turn off the doubletrack they find a mile long section of singletrack that leads the riders to the lookout. A flow section brings riders to the one steep climb on the course. Grassy doubletrack to the pond means you are getting close to the finish but don't relax yet the last section of this course will need some brake handling. As riders dump off the steep downhill section one more single track section is waiting to take rider back to the finish line.
